
Maximising Online Resource Effectiveness

Session 8

Workshop review and closing remarks

By the end of the workshop you will have

- Acquired some new practical skill related to content preparation, promotion or management
- An understanding of how content can be propagated and reused effectively
- Considered the real impact and potential of the social web
- Gained an informed awareness of the evolving web and near future scenarios

Review of workshop

Did the workshop fulfil your expectations?

What would you have liked to spend more time on during the two days?

What would you have liked to spend less time on during the two days?

Will the workshop encourage you to take some actions on your return?

What actions?

Other comments?

Don't forget—online materials

- Ongoing news and blog:
<http://more.netskills.biz/>
- An overview of all topics mentioned in the workshop:
<http://more.netskills.biz/guide>
- A checklist drawn from the Guide:
